Group Art Unit 3747
Examiner Noah Kamen
New Title FLUID TRANSFER IN RECIPROCATING DEVICES

12th February 07

RESPONSE TO OFFICE ACTION

This response to the Office Action mailed 15th August 2006 is respectfully submitted. Permission is requested for a three month extension of time to respond, with payment of the appropriate fee, by 15th February 2006.

The applicant is very keen to put this case into a condition for allowance as soon as possible, especially in view of earlier delays, including the long period in the Appeals Office. This response, like the Supplemental Amendment filed 25th May 2006, is intended to put this case into a condition for immediate and unconditional allowance.

AMENDED DISCLOSURE

An amended disclosure, to which no new material is being added, is being submitted under separate cover. It will include the following changes:

- 1) Modification of the description of the status of the parent applications;*
- 2) The text will be in a permitted correct size and typeface; lines will be numbered.*
- 3) It will include requested references, for each claim, to the appropriate Figure and portions of revised text. Such references were included in the Supplemental Amendment of 25th May 2006, but may not have properly received. A copy has now been faxed to the examiner.*
- 4) Further amendment will be made to the text paralleling those in application 08 / 477 704, subsequently allowed. Additionally a few further minor errors will be corrected.*
- 5) The drawings will be submitted in partially redrawn and clarified form, as they were in application 08 / 477 704, subsequently allowed.*
